This pièce unique has been sold. One of One. Beautiful miniature painting on white mother-of-pearl featuring the American Bald Eagle. This unique pièce was handpainted by Sandra Niculescu in 2010. Miniature painting takes more than hundred hours of concentration and eighty or more firings in a controlled temperature oven to bring to your eye the emotion of a portrait or the drama of a wildlife painting. The Bald Eagle (*Haliaeetus leucocephalus*) is a bird of prey found in North America. It is the national bird and symbol of the United States of America. Tavannes Watch Co offers its clients and collectors the opportunity to choose a theme or a portrait and have it handpainted in any miniature format in our watches. You can decide in which material the case and bracelet of your watch should be. Please contact us for more information.
